10+ years of experience building scalable revenue engines in ambiguous environments. Founding sales hire at two software companies, creating go-to-market motions, sales infrastructure, and enterprise growth from the ground up. Leverages AI fluency, systems thinking, and automation to drive outsized results with lean teams.

EXPERIENCE

Enterprise Overlay Specialist · Founding Sales Hire | InfinitySPM2024 – Present

- Closed 75% of total customer base to date across a multi-owner partner sales motion alongside OneStream AEs, Overlays, and implementation partners
- Built, operationalized, and trained team on AI-assisted GTM workflows spanning account research, outreach personalization, content generation, meeting preparation, and sales operations
- Sell Sales Performance Management (SPM) solutions on the OneStream platform into enterprise accounts

Representative Win: \$400K five-year enterprise agreement (\$2M total)

Senior Enterprise Account Executive · Founding Sales Hire | Forma.ai2020 – 2024

- Closed 25% of total customer base and established enterprise sales function with repeatable qualification frameworks
- Managed and mentored BDRs across territory, consistently developing top performers promoted into Account Executive roles
- Built financial and operational value cases for enterprise planning, compensation, and performance management processes

Account Executive | Coinsquare2018 – 2019

- Achieved 105–209% of monthly quota consistently across tenure
- Promoted twice, from BDR to SDR to AE, joining in any capacity to demonstrate range and drive

Enterprise Account Executive | VelocityEHS2015 – 2018

- President's Club 2016 & 2017
- Spearheaded ANZ market expansion, including a 6-month relocation to Sydney, Australia
- Promoted from Junior to Enterprise AE within the same organization
